

**Super-fast broadband on fibre,
only SEK 175/month
Cheap and secure IP telephony,
only SEK 34/month**

Blixtvik are proud to offer you access to Real Superfast Internet! Welcome!

BLIXTVIK IS NOW CONNECTING YOUR AREA directly to the Nordic countries' most powerful fibre network, IP-Only's Nordenring, used by leading Internet giants such as Aftonbladet, Swedish Radio and TV4. You too should get super-fast Internet and cheap, well-functioning IP telephony!

Internet 10/10 Mbit/s

SEK 175/month

Start cost SEK 375

The following are included in the subscription:

- No traffic restrictions – **unlimited surfing!**
- **No fixed period**, one month period of notice
- **No log-on**
- Up to **4 public IP addresses** per subscription, automatically allocated (DHCP).
- Up to **five e-mail addresses** of your choice per subscription.
- Every e-mail address has **10 MB storage space**. **Webmail** included.
- **Free support** by e-mail and telephone, seven days a week.

You don't pay for the month you get connected!

IP telephony – if you want to save even more!

Use your broadband socket for telephony too!

Choose super-cheap IP telephony as an extra service in addition to Blixtvik's Internet subscription on fibre and avoid expensive subscription plus daily charge, which Blixtvik has completely done away with. We give you IP Telephony for only SEK 34/month and let you ring for 9.5 öre 24 hours a day.

IP telephony from Blixtvik also gives you the freedom to choose when and where you make and receive your calls, provided you have a connection to the Internet. Right now we offer you a free headset when you buy our softwarephone! The only way to order our IP telephony is through **www.telefoni.blixtvik.se** – you will find all the information here. To get the headset, write STUDENT in the field for customer number.

**Special offer – free headset when you order IP telephony
and software phone!**
